“ Dearest Paula and family. I am so sorry and sad to hear of Jim passing. Working with him over the years we had a lot of laughs and talks. He would talk of each of you kids and be so proud of all of your accomplishments in life and spoke so highly of all your spouses too. And the grand kids... well the Shine in his eyes said it all. And Paula...When the Good Lord was passing out "Halo's" he saved a special one for the Angel here on Earth. And that is you. Jim would talk about all the tearing apart and rebuilding physical labor you would do and I would be agast!! I would say well didn't you help her and he would say nope he drank beer and played with Rusty and Shadoe!! Oh and tried to hide the cigarette burns in the new couch!! He always talked about the things you do for your family and friends. Always giving and not taking. That's why a special "Halo" was saved for you. May God be with all of you at this time and always. Going to miss my friend. God Speed Jimmy!!
Sincerely, Laura
