“ *Jim was not only a coworker but was a great friend. We spent many times in my cubical talking about his family, his dealing with Parkinson and his Love and dedication to the Boy Scouts. We sat and discussed an Eagle Project for Brandon. Thanks to his parents, Barndon executed his project at Wolcott Metropark horse trail flawlessly. Jim you will be missed but never forgotten.*

“ Jim did so much to help others. He took me under his wing when I started in Shooting Sports in Scouting. He was always helpful and courteous to a guy "learning" and ropes on the range. I am grateful to have served on staff with him on the Winter Wood Badge Course in 2018. His calm demeanor served the course, as it did on the range. I am thankful that to have called him "my friend."
