“ *I am very sorry to learn of your loss. May your many memories bring you a measure of comfort during this most difficult time, and your many prayers bring you the peace of God that goes beyond all human thought and can guard your hearts. (Philippians 4:6,7).*

“ Jim, you were an amazing friend and I wish we would have spent more time together recently. When we closed on your new home, you were so excited about everything you planned to do with all your new space. I know you never were able to tackle all of your dreams. I wish I was there to say goodbye my friend. Unfortunately, good had a plan to check me in to St John's instead. You will be missed. Rest in Peace.
