“ My thoughts and prayers go out to his family

*I worked with Jim at Aero Detroit long ago and always had fun during the day and after work with him. After we all started having kids, one of my fondest memories was when he organized a Haunted Halloween party for the kids behind his house in the woods. All of the fathers and friends would set it up and scare the kids when they walked through. Bonfires and treats ended the night.*

*Rest in Peace Jim*
