“ *Dearest Marie, David, Calise and Karlin,*

Dads and Papa's are important people and I know yours was especially important to you. I am sorry for your great loss. If I was walking down the street or visiting you at your house, your Dad always came out to greet me! Always a gentleman, happy and laughing. He always had a story to tell. I could only understand half under that Scottish brogue! I could listen to him all day long! RIP

Love,

Kathy, Kevin, Kate, Denny and Shawn Treece

“ *My best memories of Papa are of all of us sitting together at Alex's DeLaSalle basketball games vs. OLSM, what a tough crowd when you mix the Tague's with DLS! I love and will miss Papa's feisty, competitive spirit and enjoyed his commentary and jokes, despite the fact that I could only catch every other word he was saying (but I got the gist of it). He made me laugh whenever I was around him and never failed to tell me a story from the old days. God Bless You Papa...you are with the Love of your Life now and we will all see you and Nana again one day, on the other side. -Laura Peters*

“ Marie and Family, I am so very sorry for your loss!!! You know I have so many fond memories of your Mom and Dad (and the entire family)! All of the times Mr. and Mrs. T would create one more seat at the table for me (loved Mr. T's soups!!!), soccer and all of the wonderful stories and history, listening to record albums with Marie in the basement, so many more ----- my childhood was so much happier and better because of them and the entire family! The Tague house was always filled with LOVE, LAUGHTER and JOY and I would always have a good laugh with Mr. Tague (or just nod my head because I wasn't quite sure if I should laugh or respond that beautiful Scottish accent)! I know how much your family loved you.. and your extended family and friends loved you too! I'll always treasure those memories! Rest in Peace, Mr. Tague

We were so sad to hear the news. I will always remember all the good times back at your house 40 years ago to the good times in Sanibel Island. He was one person that could really make you laugh every time you talked to him. One of his best stories is the one about Scotty meeting Tom Izzo. He is a Great person and will be missed but one thing I can still hear him saying Bubbay that was his way of saying Bobby.
