“ *Jim was a dear friend of our family. He was also part of our wedding party 1961. I worked with Jim at the Post Office until I moved to Virginia in 1981. We spent many wonderful days together and I will never forget our friendship. He insisted that we take his convertible Buick on our honeymoon. Jackie and I extend our deepest thoughts to June and the family. I wish I would have heard of his passing before today. Sincerely, Douglas and Jackie Holbrook, 10402 Amherst Circle, Fredericksburg, Va 22408*

“ *Pappa Tom was the greatest. I've known him and June just about my whole life. Bruiser used to chase us as we rode buy on our bikes. To this day I can hear him yell, "BRUISER get over here." and yes Corey was right even back then you knew to stay off his grass. He has done so much for my boys. Always there to help out. He will definately be missed. Love and many memories. Cindy Young*

“ To the family, my heart hurts and tears keep falling and I'm so sad today. papa tom was a kind and wonderful man. I lived At 3824 Alvina from the time I was 8 years old until I was 18 and I'll never forget riding my bike with my friends when I was a kid to walking down the street side by side with them same friends when we was teenagers and we'd pass papa toms house everyday that we were growing up from walking to school to just going on a bike ride but we'd always see tom out on the porch or doing something to stay busy out in the yard what seemed like everyday 😊 he'd always wave and we'd always wave right back or just chatted even for a minute. He got my sons father a job at one point when he was struggling. I'll never ever forget this man and some may know him as tom but the kids who grew up on that block on Alvina will always know him and remember him as papa tom who lived in the prettiest house on our block. I send my thoughts love and prayers from my heart ❤️ And from my family to yours. I'm so sorry for your loss 😭 I'm so lucky, blessed and glad mom moved us to that street and proud to have know this amazing man....Papa Tom all of us kids on your street really loved you and we will never forget you... We'll see you again someday in your beautiful house in heaven 😭💕💕💕💕💕💕 Love you

“ I grew up 6 houses down from Papa Tom, I've known him my whole life. He was someone to look up too with much respect. As kids we would ride our bikes down to hang out for a while on the porch. He must have fixed over 50 flat tires of mine... not exaggerating. I asked him one time, how much do I owe you? He responded, "Ah hell Corey.. .. if I had a dollar for every tire of yours I fixed, I'd be a millionaire". He never asked for anything in return. Everytime you talked to him he would make you laugh. He had the nicest lawn on the block, which no one would dare to step on lol. I will always remember him:)

“ I am at loss for words. I just saw Papa Tom Monday at the same exact place I will see him for the last time in my life on Saturday. I had not see him for some time and he looked right at me and said "Hey You, how's your mom and your girls? His memory was still sharp. I have tons of memories from growing up on in my opinion one of the best blocks, I protected his lawn . Sat on his porch. These are all memories I will never forget.The block will defiantly not be the same. I want to extend my deepest sympathy to his family. He will truly be missed.
