“ *I'm sorry, I recently learned about the passing of your father. My deepest condolences for your loss. I have many good memories of him in the past. The last time I saw him was at church when I bumped into him and his wife. Its funny, even in my 50's, he always went straight for his wallet to give me (his goddaughter) a gift of money, just like all Polish godparents do. God bless him. He was a good and kind man and I will miss him.*
