“ *Thanks to all for your memories of our mum. A difficult time with the passing of both Mum and Walt in the same week, but your presence and thoughts made our transition through it all that much more comforting. S/ AI*

“ I remember Jean showing such wonderful kindness to Lana and I when we were growing up. She made everything so special. My mother and father would enjoy playing cards with Jean and Harry and loved having such wonderful friends to spend time with. All of the love that Jean shared affected so many lives with positive memories that will always be remembered. My mother has prayed continually for her and the family and she was such a dear friend of my mother's that I know how much she will be missed. I Thank God that her suffering is over but know that her love will go on in our memories for ever. Be with God and be Happy, you Deserve it.....Love Mary and Louise.

“ We're going to miss you so much Grama .. I couldn't have asked for a better grandmother, i always talked about my sweet Grama with the Scottish accent..And those that were lucky enough to meet you, just loved you.. I know you suffered for the last few years, and as hard as it is to lose you, i'm glad your no longer suffering. And your with your loved ones . I know Grampa Harry, Uncle Jim, and Pa were just a few there to welcome you. And your dancing your heart out again.. You've done so much for me ,and i'll cherish all the good memories we had. Like the time at Boblo Island, when we were on the cars you drive around the track. Mom laughed so hard as i was flooring the car and you were yelling "Achhh Stop Ya Bloody Idiot" while wacking me on the head with your purse hahaha that's a classic memory (im sorry by the way) .. And Your wee Karyssa loves and misses you so much...I promise i will carry on all your cute scottish saying's, alot of them are in my everyday vocabulary :) .. I know all of you will be watching over all of us, and that give's me some comfort.. I pray you visit me in a dream or let me know your here in some way Gram...R.I.P Grama, someday we'll see you again. I'm really going to miss your sweet voice and cute little accent. We're going to miss you so much, and we love you so very much...All Our Love Forever , Lana and Karyssa (your wee pet's) xoxoxo <3
