“ *I know that Jane passed nearly two years ago but I still wanted to pay tribute to her. My name is Emily Junger (Ehlers-when Jane last saw me) and I was Jane's Occupational Therapist at Huntington Valley Healthcare Center. I was a brand new OT when I met Jane who had tripped at mass and shattered her patella and came to our facility for rehabilitation. She had been visiting her nephew in California but was from Michigan. Jane was such a warm person, beautiful smile and I can still hear her voice, "Hi honey!" every time I came to her room to treat her. We became pen pals for a while and I kept and still have her letters. I loved her very much and will always remember her and hold her memory close as she taught me so much starting out my OT career. Thank you Jane! God bless you!*

“ *Aunt Janie was like a second mother to me. I have so many holiday and childhood memories to hold onto. Jeff, we love you and we are sending our thoughts and prayers. God is smiling because he has received another shining angel to help look out for all of us.

“ Aunt Jane,
No words can express how much you will be missed. Your infectious laugh and smile was something I always looked forward when visiting with you. Every time we had an opportunity to hang out you were always a blast to be with. I will miss our conversations about life and Faith as well as our prayer times we had in the long car rides. I know you're rejoicing in heaven with all of your family. we love you now and forever. You are gone from our sight but you're not forgotten and your memory will live on forever. I love you Aunt Jane.

Love always,
