“ *Janice was a student at Baker College of Auburn Hills (enrolled and graduated) in the medical assisting program. I came to Baker College in 2005 and Janice was the very first student to spend time talking with me after class. She was so informative to me on the processes at the college and many of my/her perceived challenges for me as an instructor. She also was quick to volunteer her brother services (Dr. David Pinelli) and when I asked her if he would mind, she quickly and politely stated "oh no, he won't mind", We both laughed. Over the days and months we developed a very close relationship, as I often viewed Janice as one of my "Budding Children." Her smile, her sense of humor (she did have a sense of humor), and the tenacity in her spirit when she had her mind set on something, will be missed. I know God is shaking HIS head as she questions HIS works, HIS plans, and HIS way. What a joy and delight.*

To the family - Janice touched so many lives. Her memory is not lost, neither will it ever fade. I pray you find peace in the upcoming days and let God comfort each of you as move through this.

I love you all, Dr. Wilsetta McClain

“ Mr. and Mrs. Pinelli I am so sorry for your loss. My thoughts and prayers are with you at this difficult time. Janice and I went to Bishop Foley together. I graduated a year before her. Janice always had a huge smile on her face. I will always remember the great time we had hanging out in Ft. Lauderdale for Spring Break in 1990.

May she rest in peace.

*Sincerely,
Shannon (Stokes) Rea*
