“ I have only known Jay for 3 years. We met and were classmates at the Catholic Bible School of Michigan held at St. Anastasia church. Jay was a kind, humble and cheerful man who's faith in the Lord was always evident. Humorous memory--When we used to review our homework as a group we would sometimes accuse (lovingly) Jay of copying Linda's homework answers because they sounded awfully similar. I have truly been touched by the strong faith and trust Jay and Linda have for the Lord. What a beautiful example they are of what it means to be a good and faithful servant. Jay...see you at the finish line!

“ Jay was a ray of sunshine and an inspiration for his whole life. Over 34 years ago Jay drove me, and inspired me to be a better person and reach for the stars. We spent countless hours pounding the pavement and exchanging stories about our lives and dreams. We finished our first marathon together, and then parted ways as we each left the navy to marry and start families. Life took us in separate directions, and I lost contact with Jay for several years. I've followed jay's progress and struggles over the past few years via Facebook, and once again I have been inspired by his heart and tenacity. The world is a better place because of Jay, and those of us. Who knew him well are truly blessed. By the shared experiences. God bless Linda and the entire family. CheriSh the many memories of this very special person. We will all miss you Jay, but look forward to catching up with you in heaven. If I know you Jay, you'll probably play tricks on us all from up there.
Love ya buddy

“ We will always remember Jay's ability to light a fire, not only a 'camp fire which he did very well' but also his ability to light the fire within that only comes from true faith. God's faithful servant has gone to Heaven; he will be missed. Our love and prayers are with you.
