“ Jean is my big sister, what can I say? So many memories! There is one thing that's not really a memory because I was only a couple weeks old at the time, but Jean was the person who held me in the car on the way home from the hospital after mom had me. Car seats were not invented yet back then 😊. Jean also gave me my name. Yep, mom n dad let my big sister name me!
I will miss my sister. I will miss her phone calls and I will miss bringing her chocolate. I will miss just talking to her about everything.
Thanks for my awesome name sister, and I will see you again
❤️💎❤️
