“ *I have know Jeanette for all of my life. She was my mother's good friend. Some of my earliest memories with Jeanette were back when she was married to Al. Jeanette had such an artistic ability with her beautiful handwriting with a flair!!*

I remember my mom and I would go over their house and j would love to look at these Holly Hobbie 3D pictures she would make.out of regular wrapping paper!

She was such a good person, I will never forget how friendly she was and had a way to make you laugh!! Goodbye Jeanette. You are in heaven now...
