“ In this day and age there isnt a whole lot left to celebrate for. However my grandmas life was something worth celebrating. Through good times and bad she has always brought light in the darkness, and warmth in the winter with bright loving smiles, laughter, and a plate full of food. I am sad she had to go but I am happy she is no longer in pain and is in a happier, better place. Can't wait to see you again at the pearly gates grandma. I wish you could've met Cory and Ayden before you left but I know you will be in our hearts forever. I love you, miss you, and we will save a prayer for you this Easter. I don't know what we are going to do without you.
*Love forever and always, thank you for everything,
Ashley.*
