“ *Although we didn't spend a lot of time together, it didn't take long to know what type of heart Jeff had. He never showed up, for a visit, without a heartfelt token and a warm smile. I can attest to his love for children and how much the kids loved him as well. Jeff stole my grandson's heart the first time they met and I remember the joy our family felt from the time we all spent together. He always made me and my family feel important and his quiet smile was priceless. Jeff truly touched our hearts and you could walk away saying what a nice guy. Your kindness and appreciation never went unnoticed. We send prayers and love to you and your family during these most difficult times. So long for now our friend...Janet and Bob Carlon*
