“ *I am so sorry I missed coming to pay my respects, I just found out. I loved you Jen and the things we shared at the doctors office when you would come into my room as I waited for the doctor. You are now up in heaven with Cristy and I can only imagine you are looking down and saying wait till you get here it is beautiful. I can only think that way. You will be truly missed Jen. Loving memories from when the kids were young and all the games we shared. Hugs to you and sadness for your family because their hearts are truly broken, but, memories stay in your head so please remember that Roland and your kids. Bill and Sue Barron with love to you all!!!*

“ *Jen's fun loving spirit will live on through her family and friends. She laughed at mishaps and brushed off stress. Always focused on her kids and animals and those around her, her physical presence, smile and laugh will be missed, but are with us always. She will never be further than our hearts and memories💕*

“ I was thankful to get to know Jen through softball since my daughter, Emma and Mia played together the past couple of years. Her energy and kindness always made everyone smile. She was an excellent mom and the biggest cheerleader for her kids. She was a joy to be around and will be dearly missed. Our family sends hugs and prayers to Roland, the kids, and the rest of your family and friends. May the Lord comfort and support you through this difficult time.

Love,

Sarah, Emma, and Connor Laurence
