“ *I am saddened to hear of Jerome's passing. I worked with Jerome at Croswell Elementary. He was always so kind and helpful. I remember a few times coming into my classroom in the morning and finding that he had fixed some of my furniture that was broken. I didn't ask him to do it. He did it because that was the kind of person he was. He always had kind words for both of my boys who attended school there. Jerome was one of the "good guys", and he will be missed. My thoughts and prayers are with all of you.*

“ *I am so sad at Jerome's passing. I worked with Jerome at Croswell Elementary and he worked so very hard to keep the school working and clean both inside and out. He was kind and always there to help no matter what the situation. I retired from RCS two years ago and moved out of state but I have fond thoughts and memories of Jerome. He was very proud of his family. Again, my thoughts and prayers are with all of you. Karen Jeude*

“ Jerome, a Loving and dedicated family man, who can not agree. In very hard times in my life, Jerome and Cindy openly let me heal in the comfort of their home. Thank You for sharing part of your lives with me. Proud of your children and grandchildren, I am sure you will be remembered well and forever stay in their hearts. Now you are in the comfort of our Lord Jesus Christ. God Bless.

“ Uncle Jerome was a loving husband, father and Uncle. He will be greatly missed and lovingly remembered.

The last time I saw him we talked about little girls, having just had my first. He said he used to get a kick out of when Lisa and I use to ham it up and prance around whenever he would come by with Aunt Cindy. I'm glad we brought joy to his life with our silly little girl antics. I always think of that conversation when I watch my daughter dance around my living room.

Love you Uncle Jerome!

“ I have known Jerome since the first day he worked at Croswell Elementary. He was completely dedicated to his work. As the years went by Mr. Phillips became a treasure to all of us who worked with him and to the children at Croswell, who loved him. Jerome was loved by all who came to to know him. He was dedicated to his job and the staff and children. He will be forever missed.

The love of his life was his wife. Jerome was so proud of her talent as a photographer and he was devoted to her. She meant everything to him. He was also dedicated to his children and adored being a grandfather. I so loved talking to him about his family. He was so very, very proud of them.

At work, Jerome treated everyone with extra special care. He went above and beyond to get projects done, help staff with anything and take care of his building. He took care of us all.

We will miss our wonderful Mr. Phillips for many years to come. He was our treasure.

*My deepest sympathy to his family,

“ To one of my little cousins, I still remember vividly when you were born, my Mom had just been home for a few day's after Marty was born and Grandma got the call to go watch the Phillips boy's, Aunt Pat was going to the hospital. It's funny how such a small detail can be etched in your brain forever, but it's times like this I am blessed to have this wonderful memory. Rest in Peace dear cuz.

Love,
Tina

“ For the past 6 years I would stand outside Croswell at 6 am waiting for Jerome to open the doors so that we could start our day. He was always there. Someone you could always count on and such a hard worker. I will miss our early morning chats and Croswell will definitely never feel nor look the same without him. He was so proud of the hard work and love he put into that building. He is and will always be greatly missed.

“ I know Jerome from coming over and cleaning the portable at the transportation department. He also attended some of our recent union meetings. I always enjoyed talking with Jerome when I would see him. My heart goes out to his family at this most difficult time. God Bless you All.
