“ Jessica, I will miss you forever. I love you so much. No one will ever understand the connection we had but us. I'll miss our long talks with coffee and cigarettes. You know what I mean. Watch over me, Dan, and the kids. ❤️❤️❤️❤️❤️

“ Jessica came for a visit in Prescott Az. We went out to eat one day!! The server went around taking everyone's "normal" orders. She comes around to Jessica who made up a meal that wasn't even on the menu!! Then asked for 3 different sides to dip her food in etc etc!! If you've ever had a meal with Jessica you know exactly what I'm taking about!! 😬😬😬😬

Omg she was so complicated to go out to eat with 😂😂😂

Christy - August 15, 2017 at 09:17 PM

Every time she ordered a steak she'd end up sending it back!!! She liked her food the way she liked it & that was it. Lol!!! Going out to eat & getting Chinese was a HUGE ordeal to her!!! 😂
