“ Dear sweet Jessie, my daughter and I will not forget that you always came from your heart with Everything that you did. I myself will always remember how it was that you didn't mind helping your grandmother Eva ,out with whatever it was she may have needed at whatever time it may have been. You and your brother Joey were always there for Aunt Eva. What a great couple of kids you were. Rachael still remembers you spending time with her when she was at Grandma's house. Your kindness will always be remembered. Our Love to you, May you be blessed always. Wishing your family the utmost of strength during this trying time. Our hearts are with you. Bless You, dear chld.
