“ My deepest condolences to the Cramer family. May you find comfort in your faith and memories. For me Joan was one of the kindest people at Volkswagen. She always greeted people with a warm and friendly smile. She was genuine, down to earth and always shared her joy with others. Good bye dear friend.

“ Our deepest sympathies to Joan's loved ones for their loss. We have so many fun memories of Joan and Russ. They were the first couple we met on our first Florida winter and we had so many happy times with them golfing, playing cards and traveling back and forth to our homes in Ohio and Michigan. We imagine them happily together again! Healing hugs and love to all!

“ The world was a much better place with Joan Cramer in it. Joan and her husband Russ gave so much of themselves to the Motor City Packards Region of The Packard Club that the annual service award is named for them. We sure had many memorable moments at the annual Perrysburg Packard meet and many other functions including Hershey and National Meets. Joan walks with Russ again now in the life that never ends. We will sure miss her and her wry sense of humor. Rest in Peace Joan - you have sure earned it.
