“ *The few times I did were all pleasant, so pleasant I could've stayed and chat'd way longer. But us as teenagers were always on the go. What a sweet lady she was. Deepest sympathy for the family.*

“ I really don't know where to begin. Joan was my 2 nd Mom she was always so full of life and had a tender giving heart. My fondest memories are of going up north with Karen and Mom and Dad, every morning Dad and i would get up super early to go fishing and of course Karen could never manage to get her butt out of bed lol.. So when we come come back Mom would have breakfast ready for us and would sit and listen to us tell out fishing stories. Oh and her love for Cheetos, we would have to fight over the bag . Or on weekends wake up to her blasting polkas to clean the house, being a teenager at the time that was brutal lol but I grew to like them. And she always managed to get me to eat foods that she knew i would never on my own free will lol, But one thing I remember more then anything was the love she had for her kids and Husband.

“ If anyone would like to share a "special" memory they have of mom, we are making time for that either at the funeral home or during the luncheon.

Also, we are not having a funeral procession. We will be holding a Celebration of Life at DiCarlo's on 10 Mile and Mound in Warren for those that want to join us. We will need a head count, so please let us know. Thank you for all the prayers, the love, I know she's with our Heavenly Father God, Lord Jesus Christ, my dad, and all our loved ones that have gone before her.
