“ I finally found this in my email. My sister Joanne married when I was young and moved to Michigan. I wrote her quite often at first then life got very busy as I grew up, went to college and had my family. I looked forward to when they came home to visit to get an update on new additions to the family. Then the past 12 years have been difficult years so I didn't keep in touch as often, but would check with Ada when she phoned and once in awhile I phoned to see how Joanne and Leon were doing. Over the years I have put pictures of Joanne and her family into the computer, as well as Ada and Don's family. Then life really interfered and I never finished my siblings pictures scanned into the computer as I'm so busy being a caregiver. I know Leon spent 24/7 taking care of my sister. For this I will be forever grateful for the love she has shown his wife. Joanne cared for her family and loved all of them; so does Leon. May Heavenly Father bless all of you. Love Emma Hafen Fife

“ Mom was the greatest Mother-in-law that anyone could ask for. Never a 'bad inlaw' story to tell. I'll miss her greatly, as her and I shared our love for books for many many years. Thanks for all of the memories Mom, and enjoy those shiny, new wings you've earned. Your laughter and smile will echo in all of our minds forever. We'll love you always Mom, Dawn and Steve

“ Grandma you will be greatly missed by all of the people who you have blessed with your presence in your journey in life. You were a remarkable wife, mother, grandmother, great mother, and great great grandmother and we were blessed to be able to get 5th generation pics with you and our children. You a remarkable woman from start to finish and now you earn your wings and fly high with granddaughter sherry I know you take good care of her and your watching over grandpa and the rest of the family and prepare our place in heaven with you. You'll be greatly loved and missed. Rip Grandma

“ I will miss you Aunt Joanne

Joanne was my oldest aunt. I didn't see her often, but growing up in Ivins, Utah, it was always special when she & her husband Leon would visit. I was able to meet some of my Mercier Michigan Cousins when they ventured West - maybe someday I will meet more of you. I hope many of you will be able to gather together and remember what a wonderful & remarkable life your mom or grandma has expereinced. May the memories you have had with Joanne and the memories you are creating at this time carry you forward into the future with strength and courage.

“ *Grandma was always about family, even those not blood! She loved all her children and babies in the family! Bring her a baby and that sparkle in her eye would melt a heart and she just perked right up! Flying high with her beautiful wings now and never forgotten, always loved!* ”

“ *Mama/Grandma M was an integral part of her family's lives. She loved them all beyond belief and was at almost every family function, no matter how big or small. Her kids, grandkids, and great-grandkids will miss her, but will also know that she'll be watching over them for the rest of their days.* ”
