“ *Baby brother you will forever be with me. So many memories with you. I know I can count on you to be with me always, the one thing about you is everyone could always count on you for anything and everything. You can bet I'm going to spoil your babies, it's my job and my right as Aunt Tina. I know you are shaking your head...I'm going to win this one. :) ?*

“ *My memories with Jody are countless and will live on forever. I am so blessed to have crossed paths with him. He was such a genuine, down to earth guy. I know he will be with me every step of the way. His twisted sense of humor always turned my bad day good. It breaks my heart that this man had to go so soon. To his family, I am so sorry for your loss. My prayers and condolences to you all. I am here if any of you need anything. I'll be missing you my friend, with everything I have in me!*
