“ *What a tremendous lost. John was just a great guy. I thought the world of him as did many others. I shall personally miss him. We didn't meet often but when I did run into him, it always gave me a good feeling. It's so sad we have to loose people like John They are so few in numbers.*

“ Uncle John...What can I say? I could speak at length of the games of cops and robbers played with Timmy and Paul. I could speak of the awesome times at the cottage and the semi infamous frog dissection that went awry. I won't though...instead I will focus on how every time I saw Uncle John and Aunt Dorothy...Uncle John would quickly remark "Justonio...how's it going?" and no matter where we were or what was going on...he would actually listen with genuine interest as I updated him on life and all the little details. That is one of the finest memories I have and a testament to what Uncle John represented in my life. I will never forget how great that made me feel. To all my family...and all the others that were touched by his presence...keep the good memories of the "little things"...and celebrate the times we shared.  
You will be dearly missed,

“ When I was a child, Uncle John was the man who lined the boys up every month to get their hair [buzz] cuts~the line was always oldest to youngest~Denise and I were allowed to watch but we didn't dare make fun of any cuts. He was the policeman you bragged about~but didn't call if you got in trouble because though you knew he would be there for you always, you also knew you disappointed him with your actions. Uncle John was the go-to-guy for school projects, woodworking, and eventually home improvements. He was available for a few words of wisdom too. He had his queen, Aunt Dorothy and his princess, Denise. His men in training, Geary, Greg, Bosco and Jeff were taught to love and protect those around them. I am a very fortunate person to have had him as my Uncle. I know he is happy, soaring with all the angels who went before him. Prayers of love and comfort to my cousins.
