“ *Jean and Family, I knew John many years ago as a young child. Johns' sister Anna babysat for me and my sister. Needless to say the whole Dill family treated us like one of thier own. One of my favorite memories was the time John took us fishing and boating, it was a great day. Reading that he was husband, father, grandfather, and great grandfather puts a smile on my face. As good as he must have been to all of you, I know you were all so good for him. Your family will be in my prayers. Sue*
