“ *Mr. Gintner was one of my favorite patients. I always looked forward to seeing him, with his sense of humor and general joviality, he always made my day. There definitely will be a whole in my practice of palliative care without him.*

*With Deepest Sympathy,
Dr. Nichols*

“ *My condolences go out to Kitty, Tony, Angela and John (Jay) may you all stay strong through this difficult time. Your dad~ my big brother, my oldest brother will totally be missed he was the kindest ~sweetest man around. Loved his smile and loved his laughter. John Rest In Peace. Love from your baby sister Fran*
