“ I send my deepest condolences to the family. This truly breaks my heart to hear you are no longer with us johnny.I know we have only seen eachother a handful of times, but I’m happy I was given the chance to meet you. I may not be able to attend your viewing but I will always remember you like the day you walked into my work and id you and found out we had the same last name and in fact we’re cousins.! You lit the room whenever you walked in, telling jokes & smiling constantly no matter how hard your day was. Rest easy Johnny, I know you’re with your father now , sending so many prayers your way. I love you ☐🙏
