“ I'll always remember going to Caitrin and Alyssa's softball games at Halmich Park, setting up my lawn chair next to John's and discussing everything from Warren politics to the big three auto industry. He was so proud of his family and it was an honor to have crossed paths with such a great man.

“ *Such a huge part of my life. From weekly visits growing up on the lake, always making sure to bring my favorite donuts, picking me up every Tuesday from high school, lunch at Coney Islands, long talks about the past and lessons learned, filming and saying Grace on my wedding day, coming to my baby shower, and bringing me a new bouncy seat when visiting my first born child, every single Christmas, and it was magically because of him, saying goodbye will be difficult because he was, is and always be a huge part of who I am.*

*Uncle John and Aunt Agnes were a huge part of our lives. We spent many holidays, birthdays, cottage days and summer picnics together as we grew up. My older brothers and sister remember them even as far back as when they were dating and getting married. We will miss our last remaining uncle. A part of our life we will all remember with a smile on our face. It was good times growing up together in Detroit. Uncle John you were a good father and a great caring husband to Aunt Agnes. You will be missed and we hope you are resting in peace. Love from Peter and Mary Buback's children, Barbara, Larry, Paul, Mary Jo and Ken.*
