“ *I was very close with john in high school. We had some amazing and crazy times together. I wish I knew you were hurting John and wish I could have reached out. I hope you have found peace. Your friend, Darren.*

“ *Just found out about John's passing - am so very shocked. Your family was one of the first we got to know when we moved to Madison and our Heritage Provence neighborhood. We had some nice times at softball games for our girls and enjoyed the party you invited us to at your home. I do remember that John always had a great smile to welcome one. We are so very sorry for your loss.*

“ John was my neighbor and friend growing up on Berkshire Dr. In Southfield. We played baseball together and his front yard was the neighborhood football field. He was a year older than me and I always looked up to him. We lost touch after graduating Lathrup and never had a chance to reconnect. One summer, 1981 I think, John and I went to baseball camp at U of M. We spent a week rooming together in the Dorm playing ball and having a blast. I guess my point is, If I have had this great memory for 35 years now and if I haven't forgotten by now, I won't ever. I'm very sad to hear about his passing and I'm very sorry for your loss. “ Not enough time, Brother, not enough time. There were drinks to be had over stories to be shared and an even stronger friendship to be built, but it will have to come another day. May you and all of yours find peace and burdens be lifted in this world and the next. Thank you for the times we shared. Until we meet again. ...
