“ *Kathleen and Luke,
There is nothing I can do to bring your dad back,there no words I can say to replace the words you long to hear, there is no love I can offer that will ever replace the love you guys shared.I can not promise your broken hearts will ever be complete, I won't tell you it could be worse, I will not deny it was a tradedy, and I will not lie and tell you guys that he will come back because HE NEVER REALLY LEFT. So please remember, I do promise he hears you guys when you speak, he loves you no matter the distance, and I will not deny he's in a better place,and I know he is waiting to greet us someday, you're dad is in every step you take, he is everything you guys do, he is in the air that you two breathe, and he is in every beat of your heart. Your dad is like the wind, you can't see him but YOU WILL ALWAYS FEEL HIM.*

love always, Aunt Dee

“ *What a perfect birthday to spend it with Jesus!! (And there is no more pain!!!) Always remember your dad is never gone because his blood will always run through you and your children. All you need to do is look in the mirror, or look into the eyse of those beautiful grandchildren of his, and he will be looking back at you!!! My mom use to tell me, if I wanted a long distance hug, just wrap my arms around myself and squeeze real hard and that would be from her. I bet your dad would do the same!! I love you guys!!!!!!!!!!!!!!!
