“ *I remember the young-in-love-lovers of Cathy & John....how beautiful she looked in her wedding gown, and John so proud in his Tux. A great wedding was had by all, and as the years past, a beautiful daughter Shannon was born, then a year later a beautiful Handsome boy, Christopher was here. How proud both your folks were of you, and how loved you have always been with all the family. Although it's sad to see your Dad gone from this Earth, find happiness that he is now back in his true home with God & family.*

When life is sad, shake your head and remember good times in your life and to get even more gladness.....turn on some music you like.....you won't be sad...why do you think God made music????????!!!!!!! Much love to you and all your family. Aunt Carole,2019.

“ Rest in peace, Johnny. I remember all of the good times we shared in our life together. We were so young and hopeful about our future. And we made two beautiful children together who grew into good, kind, caring adults with families of their own. We can be proud of them. You were my first love. Rest easy in God's love, now.
