“ I was so saddened to hear the news of his passing. I've known him my entire life and I'll always remember his jovial nature and presence. Every time I saw him we would exchange a solid handshake and a couple laughs. Rest In Peace, John.

“ Family meant everything to John. He loved his beautiful family and we will miss him very much! I've known John since I was a child age 7 and he had been like a wonderful brother to me, I remember a Christmas when he got me my first Brides Doll, which I loved dearly, I knew then what a super brother he would be to us! He is home now and all the good memories remain. May he Rest in Peace!
