November 20, 1959 - March 14, 2017

Died peacefully in his home on March 14, 2017 in Brown City Michigan at the age of 57.

John is preceded in death by his mother, Rose Pietrzak. He is survived by his father Eugene (Marcia) Pietrzak of Rochester; siblings, Ronald (Sandra) Pietrzak of Marlette, Richard (Sandra) Pietrzak of Brown City, Kenneth (Kelly) Pietrzak of St. Clair Shores as well as Dany (Vicky) Tencza of Davidson, Mike Patton of Rochester, and Brian Patton of Warren; children John (Katie) Pietrzak of Midland, Aaron Pietrzak of Brown City, and Alizabeth Bryan of Brown City; grandchildren Ashley and Madelyn Pietrzak of Midland; godchild Nicole Pietrzak of Brooklyn, NY; numerous nieces, nephews, and countless friends.

John was born on November 20, 1959 to Rose and Eugene Pietrzak. He graduated from Fitzgerald High school in 1977 and has lived life to the fullest since. His family remembers him as a man who was always quick with a joke and a helping hand. Others remember him as someone who could be your best friend within minutes of meeting him, and that friendship will last a lifetime.

John was an avid sports fan, with intense games of miniature golf shared with his oldest son, John, and his passion of hunting was shared with his youngest

son, Aaron. He loved dogs, especially his Siberian Husky, Nikkita, who always held a special place in his heart, and often, lap. He was a loving father, son, brother, and friend. He will be missed by those that knew him, and will live on to those that didn't by the stories that those closest to him will share. He both loved and was loved deeply.

“ *I will never forget the hours John and I spent developing paint tools to solve urgent design and process issues. John engineered many manufacturing tools and aides under tremendous pressure solving major issues and never once showed stress or panic. In fact John would always say to me " Don't worry my friend, I will take care of you". That is exactly what he always did. John also gave me some of my favorite moments with my kids allowig us to deer hunt for the first time twice on his property. I will miss John and continue on with what he taught me about work ethic and focus on family and when at work, the customer. Take care my friend. You will live forever in my memories and heart.*

Your friend forever
