“ *Mr. Pini - or Johnny as he had us call him - gave me my very first  
job at Handy Hardware, which ended up with my mom and sister  
working there too. I have memories of his home on Harsens Island  
with his family and my family barbequing. Mrs. Pini, you are in my  
thoughts and prayers.

“ I just arrived in North Carolina to visit my niece Marianna and her family and I called home and my husband told me that Uncle John had passed away. I was just thinking of all of you last week. I am so sorry for your great loss Aunt Babe. I am sorry I can't be there to pay my respects and to give you and Lord a hug. He was a wonderful man, a good kind man and will be greatly missed.  
Love from all of us,

“ There were three legendary businesses when we were growing up in Van Dyke Twp now know as Warren. Fitzgerald Pharmacy, Skinders Market and Johnny's Hardware. We did not know the Hardware by the name of Hardy, we all associated the name with the fantastic gentleman that owned and ran it by the name of Johnny Pini. Although most of us are in our 60s or 70s, Johnny is still often in our conversations. The man that always greeted you with a smile in a place where we had everything from our skates sharpened to the famous Levi selection along with nuts, bolts, and other items. Johnny allowed us to have a charge account but you had better pay it or your parents received a telephone call. He made an impression on so many of our lives and he will live in our memories forever. Johnny wasn't a tall man, but he was the biggest man in our community and in our lives. We only wish we had known how to contact him when he was alive to let him know how much he meant to so many of us. God Bless you and your family, Johnny.

“ Johnny was always so nice to me when I worked in his building in the hair salon (which I now own and am still there.) Babe was my client for years and I grew to know them very well. I have seen them around town at restaurants in the past few years and he still remembered me! He had a mind like a steel trap! Johnny made a difference in our community and in our lives and we will miss him. He is one of those folks you never forget. God speed old friend, and our prayers are with Babe and his grandson and family.  
With respect and love,

“ To hear of your lost has sadden us. Our prayers and love are with you. God created humans with a yearning to live forever. The Bible says that he put ? a sense of eternity in their hearts.? Ecclesiastes 3:11. Our first parents, Adam & Eve, were created perfect, with no defect in mind or body. (Deuteronomy 32:4) Imagine-no chronic aches and pain, no morbid fear or anxieties! Why, then do we die? Hope this thought and scriptures bring Comfort to your heart, as they have mine during this time of sadness.
