“ *I just worked with John at Temple of the Sun in February doing messages. He was a very giving soul. I am sure he is visiting all of his friends and family now touching their hands and smiling at everyone.*

“ *John was a very wonderful and gentle soul and was very dedicated to his religion of Spiritualism and his gifts of Mediumship. He will truly be missed by many and we know that he will extend that loving care and kindness, that I seen in him each time we met, to those that cross his path at this time. There is so much more that John will be doing and showing us along the way as we smile at him and he smiles in return. And may you play your beautiful bagpipes to all those who grace your path in your new home of eternal peace. Barb Beno*

“ *The First Spiritual Temple of Royal Oak is saddened by John's passing. A sweet gentle soul who served our church and brought comfort to many whom he touched with love and compassion. He is not gone from us as his spirit is strong and his love will continue to reach out to us from the heavenly realms. We extend our sympathy to his family and send them love and healing energy. “ Such a loss for the family and friends of a really great guy. Had the pleasure of knowing John. This man had an amazing heart, and a great disposition. I'll always be listening for the bagpipes John. Play loud, my friend.

“ I will never forget when he played the bagpipes in my back yard at a small gathering and the next thing you know many of my neighbors came over and enjoyed his music. Good times, Brian and I will always cherish the good times we had and you will be missed.

“ We grew up together and had gotten in trouble together, we had good times and bad. You were always there to pick me when I would fall, you always stuck up for me even when the world would look the other way, you were my best friend, my brother. It is hard to imagine how to go on without you.

Who will be there to pick up the phone when I call, or help me stay strong when the weight of the world is on my shoulders. We had no chance to say goodbye, this hit us all by surprise, one day I will see you again then know your memory will live within my heart forever.

I promise your goddaughter will always know how much you loved her. I know she has you as an angel know to watch and guide her from up above.
