“ *John was a thoughtful, caring, hard working man, who was liked by everyone that knew him. He was always there for me when I needed his help with work issues at Henry Ford, he would always go the extra mile to help, no matter how busy he was. He loved his family, and spoke of them often, and was very proud of them all. I graduated from St. Florian with John, and he was very well liked and popular in school.*
My sincere condolences and prayers to his family. May he rest in peace - he will be missed greatly.
