“ I remember chasing Johnny around for years. From Royal Oak, to Troy, to Eastpointe and finally Elegant Nails in Shelby Township. I followed Johnny around not just because he was the best at his craft, but because he was a wonderful, warm and hilarious friend. While I just learned of the loss on my friend, I will never forget Johnny. My thoughts and prayers are with the entire family.

Sincerely,

Theresa Krebs

“ One day while driving by a new construction site I noticed someone was having a sign installed over a new place of business. The sign was for ELEGANT NAILS. I had no idea who was opening the business. I had had the same nail technician for 14 years but for some reason I knew I was going to change technicians and that Elegant Nails was going to be my new place for nails!

Upon entering I was welcomed by the kindest couple I had ever met, Matchika and Johnny Tich Tran. Not one day ever went by where Johnny did not have a smile on his face and some funny comment or joke. Matchika had some really great comebacks too! There was no way you could miss the love and laughter both brought into their business, making customers feel welcome and at home in their very professional and well run establishment. Actually there were a number of family members that worked in the nail salon that were also involved with making the experience special, Mylavanh and Lucky. Forgive me if I have missed anyone. As time went on my mother and a number of friends followed me to this salon. Many times my mother and I would say that when we came in we felt as if we were visiting family. In fact my mother was so excited to hear that Matchika was pregnant she went out and purchased baby clothing as a gift. You all made her feel very special.

I thank you both for taking care of not only my mother and myself, but all of the friends that followed me to Elegant Nails. We have very fond memories that we would never have experienced had we not had you all in our lives. Thank you for sharing your children with us as well. Mylavanh has continued to welcome us with love, laughter and the professionalism we so appreciate. She has continued to maintain that feeling of family as well. Our hearts break for your loss. Please know that when we think of Johnny there will be sadness for the loss, however, we will always have a smile on our face from the memories he has left for us in his wake.

Our condolences to your family.

He was a great man and wonderful soul. He always knew how to brighten up a room with his smile. He will be dearly missed.

I'll never forget his playfulness, charisma, and smile.

My deepest condolences.

“ As I sit here and write this it pains and saddens me that you are no longer with us. However, I shall utilize this time to reflect on the great times that we shared together and to let everyone know what an awesome cousin you were.

Johnny, I looked up to you like an older brother. You definitely made an impact in my life because you had that infectious personality. It is because of you that I am partly the person that I am today. You always had that personal quality that was so comforting to be around. You were friendly, charming, and caring. I'll never forget the great times that we shared playing basketball together, me helping you doing the newspaper routes, and you treating me to all kinds of food outings. Man, we had some great times together as kids. I shall cherish those memories with you forever.

My condolences to your family.
