“ *Dear Kamila, Daniel, Benia and family,  
I just returned home from out of town and received the message of your Mom's entering heaven. My heart breaks for each of you and I so regret not being able to attend the service to honor your Mom and give you each a hug and my sympathy. You each were very special students and therefore, I know how wonderful your parents are. She will still be watching over you and when you are quiet you will hear and feel her love. Heaven received another angel and you will hold her close in your heart and memories. My deepest sympathy to you and your Dad.*

“ To the Demkiewicz family,  
Jolanta was one of the most remarkable, loving, and compassionate person I've ever met. She was beautiful not only on the outside, but on the inside as well. She was such a sweetheart. I was truly blessed to have worked with her for 4 1/2 years and loved her dearly. She will be greatly missed and will always have a very special place in my heart.

“ I have truly been blessed to have shared a working environment with Jolanta. Often, when I didn't know where to turn she had the answers I needed. She was one of the first I met who was welcoming. I never saw her less than up-beat. I will miss her very much.
