“ *Vjecnaya pamjat. May your memory be eternal. I will never forget your smile and laugh Baba. I will remember our weekend sleep overs with my brother. Boban, at your apartment with deda when we were little and watching price is right with you and deda. I will also remember when you and deda would visit us and when you left how deda would turn on his blicker on the car while backing out of the driveway. And of course i will not forget my last visit with you in the hospital that Sunday evening when i walked in and saw the nurses make you smile for a little. Your great granddaughter, Ivana, remembers visiting you. I am so grateful you were able to meet her and your great grandson Jacob. Volimo te. Bog duso da prosti.
