“ Well, I just found out about Joe passing away. I remember as a kid, my sister was in high-school band with Joe, covering 1950s girl-group covers. I just remember what great energy he had, what a sweet person he was, and how I never ever remember a moment where Joe wasn't awesome. I'm so sorry to hear he's passed. Deepest condolences who loved him, and who were affected by his passing. May his memory live on forever!
