“ *Dad,
It's a cruel reality that you're not here & the world kept turning not pausing a moment even though you occupied it for 30,871 days & night's.*

Time keeps passing (a entire year already) Even though you aren't winding your watch. Seasons doing their job although you aren't watching the weather reports. Many many things remind me of you & what you would say,do,or think. Also I'm reminded that you're not here to care.

Miss You Much DAD 🥹💔🌧️📅👉
