“ Dearest Virginia and family,  
I am so saddened to hear about Joe--as Larry and Linda said before me, it has been such an honor and blessing to have known such a wonderful, kind and loving man. I have so many fond memories of the days when we met you and Joe at church and have always been in awe of you both, Virginia. What a beautiful example of true love to see! You both mean the world to me. My love, thoughts and prayers are with you all especially during this sad time. May all the wonderful and fond memories of Joe strengthen you and comfort you--what a beautiful legacy he has left for you all--a life well lived. I have no doubt of the great impact Joe has had on so many people throughout his life. May God bless you and comfort you in the days ahead. My deepest sympathy and love to you. Love, Sue, Bob, Laura and Nicole Majkowski --Humble, Texas

“ Hi Connie; My thoughts are with you. As we say in our grief counseling, it's the end of one journey and the beginning of another that we take as loved ones. One thing I think about with my dad, who died many years ago, is how much he loved children and how much my own granddaughter, age 4, would have enjoyed the games he played. We speak of him often. Blessings to you.
