“ *I met Joe in 1966 when I became a client of State Farm. He remained my agent even when I moved to Canton from Sterling Heights. Even though State Farm forced me to change agents I never forgot how pleasant and helpful Joe was always.*

I can truthfully say I have never met a man as caring and friendly as Joe.

I am very sorry for your loss.

“ *So shocked & disappointed to hear about Joe's passing. As an attorney & Kiwanian, we shared many conversations about our mutual interests. And that ever present smile I'll miss that the most. What a wonderful man.*

“*Mary Beth and Julie: I can't tell you how shocked I was to here the news. I don't need to tell you how much Joe met to me. Joe and I have been friends for over fifty years and have shared many happy days lunching, golfing and just being together sharing with one another. We had many telephone conversations sharing news from our families and friends..The one thing I know is that his greatest joy in life was his family. I will miss him as though he were my brother and he will forever be in my memory. All my love to you Mary Beth and to Julie and the rest of the family..*

“*I considered Joe a mentor & more importantly a friend for the years we spent together as State Farm agents. Joe was kind, professional and always willing to help a new agent anyway he could. I don't know anyone that didn't like Joe. How much more can you say about somebody when they were universally liked by all. We will miss you Joe.* ❤️😭🙏😊
