“ *Joe was a great colleague at Sandvik. I can say every interaction he had with customers and with me was wrapped in his enthusiastic humor. I will always remember Joe for that.*

“ *Anne -*

So sad. My heart is heavy. My thoughts are with you and Joe and Steven. I will miss my childhood friend and long time baseball teammate. Baseball has a way of bonding teammates and families forever. Those who played understand that bond. Every time I watch a ball game, I will think of Joe and your family. He will be missed.
