“ All I can say is the memories I will have of Joy is that every time I saw here she made me laugh! I could always count on her for some good advise (and always straight to the point with no BS!) Even when she was going through tough times her humor kept all those around her strong. I will miss seeing her at special family functions and most of all I will miss her Shit on a Cloud dessert. What a great, fun lady that will be missed by all that knew her.

“ Joy's family,
I am so sorry for your loss. I feel like a part of me is missing. Joy was one of my dearest friends and I will miss her terribly. I have known her for over 20 years, from working with her at Beaumont to going out with her and Rose to the singles clubs plus getting together for our birthdays. We only lived a couple of miles apart and because of our busy schedules didn't get together like we should have. I feel bad about that now. Thank God I did call her a couple of weeks ago and we had a few laughs with a promise of getting together after the holidays and driving to Roses for a get together. I am thankful that I had those few minutes to talk to her. I didn't know that would be my last. If there is anything I can do to help, don't hesitate to contact me. I will miss my friend but I know I will see her again someday. May God comfort her family in this time of sorrow.
