“ *Chris, I didn't see her often, but when I did-she was always smiling. Her laugh was contagious. Hope you, your Dad and siblings spend time remembering good times you had with your Mom. God bless, Sandy (Kollinger) Kolar*

“ *I knew Joyce for many years, living only a block away from each other. Chris stopped by often, even visited our place up north (K-5 Ranch) I still remember the summer that Steve, Bobby and Daryl played Monopoly every single day, EVERY SINGLE DAY!. But it sure kept them out of trouble. Later on in life Joyce and I were in a Pinochle club. Sometimes I would drive and pick her up or she would drive and pick me up. Great talks while driving. She was such a lovely person inside and out. Every Christmas card said "we have to get together for lunch" but we never did, that's the sad part, wish we just would have made time for it. my favorite question to her was "how many times have you been to Vegas?"*

“ *To the whole family, Gosh, I will miss your mom's visits to Chuck and Mary's. She always enjoyed all of the wildlife, dogs, and cats in the neighborhood. She was such a joy filled lady. She loved each of you so very much. Mary, you were always so thoughtful to have your parents out for those down home cooked meals. Each of your brothers and sisters can be so proud of the great job your mom did raising all of you. Your dad can be thrilled that he got to spend so many great years together through the ups and downs of life. She will live on through each of you and your interactions with each other. Keep remembering all of the wonderful times you shared together. Keep her memory alive every day as a tribute to her. God smiled when she arrived at the pearly gates. He has been expecting her. Wish I could be there to give you each a hug, but distance prevails.*

*Enjoy every visitor as they arrive to express their condolences, but they are giving you each a dose of heaven in the love their bring to you. Much love to all, Julie Sprung*

*Noblesville, Indiana ( former next door neighbor to Chuck and Mary).*

“ Dearest George and Family,  
So very sorry for your loss. Joyce was one of the great ones He made for us. Every one who ever met her loved her. She was always so proud of her family. They all meant the world to her. She never missed a birthday or a Christmas without sending a card and a hand written note. You are in my thoughts and prayers. Am having a Mass said for her. Wish we could be there with you, but we are thinking of you and praying for you all.

Love,  
Margie and Richard Fritz

“ God must have needed another angel and called her home. I could always count on words of encouragement and a smile from Joyce. Even when we hadn't seen each other in a while, it was like we were never apart. She will be truly missed. Karen Landreth
