“ *Miss DelRosso was my 2nd grade teacher at Queen of Peace. I remember her playing cards with us at recess, sticking up for her student to another staff member, and seeing the real me. I became a 2nd & 3rd grade teacher. Go with God!*

“ *"Miss DelRosso" was the perfect second grade teacher to many of us who will always remember her for her loving and jovial presence. It was way back in 1969-70, and we all still remember her well. I pray that she was welcomed into heaven with the words "well done, good and faithful servant."*

“ Ms. DelRosso was my 1st grade teacher at Queen of Peace, she was one of those teachers that you always remembered for their smile & love of teaching. She has remained to this day one of my favorite. I had the pleasure of bumping into her again at the mall & even though many years had passed she still looked the same. May she have eternal peace & know that she touched many.

“ *Ms. DelRosso was my first grade teacher at OLQP in 1976. I remember her always being so kind and patient with everyone. She was certainly my favorite. I remember her having the entire class make cards for my mom who was in the hospital. I also remember her having Kermit the Frog sitting on her desk wearing his tennis shoes. She was a very dear lady. My condolences to the family.*

“ *Ms. DelRosso was my first grade teacher at Queen of Peace Elementary School. She was one of my favorite all-time teachers. I remember how patient and loving she was with us. I hugged her several times per day because I loved her so much. I remember she also had a Kermit the Frog that we would bring to gym class with us and he would sit on the stage and watch us play. He even had his own tennis shoes. She was a sweet, dear woman and I am so sorry for your loss. This being National Teacher Appreciation Week, I had thought of her, so I was so sorry to see that she had passed away. Much love and prayers to her family.*
