*Joyce Marie Katsock (Mother)*

*My Mother was full of love for her family.*

*She was a stay at home Mother until we had all moved out.*

*We would come home everyday from Elementary School for lunch. That included my Father for many of his working years.*

*Mother was very active and attended our sports events, band, gymnastics, choir, you name it. She even attended our softball games when we were adults. Mother was also active. She was a great bowler, gave a try at golf, and enjoyed playing Pinochle for many years with her sisters and friends. She bowled in many tournaments. She attended my Father's tounaments through the K of C. She went with Dad to other K of C events.*

*We went on many vacations as a family. Most of our vacations were to Houghton Lake but there were many others such as Florida, Out West, Smokey Mountains, Mammoth Caves etc. My parents also really enjoyed cruising. Daughter Robin and Husband Lou were lucky enough to go on most all the cruises with them experiencing many excursions.*

*My Mother liked to dress up and get her hair done. She always looked so nice. When Lou and I moved to Florida Mother and Dad would come to visit in the winter months.*

*We did a lot of shopping and eating out. My parents painted a couple rooms in the house. Mom would cater to Dad and help with laundry etc.*

*Anytime I was not feeling well I always called my Mother. She would always offer kind and healing words. Mother was a true confidant. She would keep your secret and give excellent advise without meddling.*

*Mother loved her many Grand and Great Children.*
