“ Judy and I were Bunco partners more times than I can count over the past 15-20 years and I cannot begin to tell you how much she loved all of you. Her grandchildren especially were the light of her life. I’m so sorry that I will not be able to be with you but you are all in my prayers. She was a little force of nature, always had the best prayers and will be missed.

You will forever be my angel that you treated and loved me like your own niece. You taught me how to decorate cakes (smuggle sweetex across for me), always showed me how to shop for bargains and dress in style. You are a legend that will be missed by so many hearts you filled with love and joy.
My love for you will live on forever Dale xoxoxo*
