“ *Dennis, I am so sorry to hear about Judy's passing. I knew Judy since Holy Name. She was a good friend to me. Even though thru the years we lost touch I thought of her often. May you find peace and comfort in the days ahead. Christine Zasuca Haddad*

“ Dennis, I just found out about Judy's passing. I am shocked and so very sorry for your loss. Please know you are in my thoughts and prayers during this difficult time. Judy and I went to High School together, and we were Cheerleaders. I know a lot of friends would have come to pay their respects, but we had no idea. I just found out tonight, through a friend who had heard. I am so very sorry and please know that Judy will be missed by all. Rest in Peace Judy... my fellow Cyrilite and Cheerleader.

“ *Dennis, please accept my sincere sympathy, I know exactly how you are feeling, for it hasn't been that long ago I was faced with that same feeling. I will miss Judy's very pleasant personality and seeing her sitting in the front of your condo in the garage. We had many nice conversations and lots of laughs too. May all the wonderful memories you have help to sustain you through the difficult days ahead. Memories are the one thing that are yours and yours alone and no one can take them from you so cherish each and every one. With heartfelt condolences. Joyce Matczak*

“ *Met my sister-in-law 42 years ago when I walked into P&G Offices in downtown Grand Circus Park office building. She was an incredible administrative assistant to the Office Manager and a wonderful sister-in-law. You will be missed. Roland Gabriel*
